**3015 Upton Drive, Kensington, MD 20895 / 301-929-2505 / [www.crossway-community.org](http://www.crossway-community.org)**

To get there, turn north on East Ave. off of University Blvd. by McDonald's, make an immediate left onto Upton Drive. Continue two blocks on Upton to the parking lot. Enter the canopied doors up the stairs in the middle of the building.

Several changes have been implemented legislatively to facilitate contracting with local businesses. Ken will give an overview of the LSBRP which is designed to help small businesses in Montgomery County obtain work with the county (which looks to allocate 20% of business to small business). Small businesses can find out how to get notified of upcoming procurements, download and access procurements, and view abbreviated scopes of the procurements.
